## General Guidelines

## General Guidelines

### 1 Introduction

The prohibition of any advertising and publicity in and above Youth Olympic Games (YOG) sites (as expressed in the Olympic Charter) is one of the aspects that differentiate the YOG from other international sporting events.

This is reflected in particular in Bye-Law to Rule 50<sup>1</sup> of the Olympic Charter, which the IOC has determined applies *mutatis mutandis* to the YOG. The following rules and Guidelines applicable to the YOG are based on Rule 50, which states in its bye-law that:

*No form of publicity or propaganda, commercial or otherwise, may appear on persons, on sportswear, accessories or, more generally, on any article of clothing or equipment whatsoever worn or used by the athletes or other participants in the Olympic Games, except the identification [...] of the manufacturer of the article or equipment concerned, provided that such identification shall not be marked conspicuously for advertising purposes.*

Placing the national and Olympic identity of young athletes at the forefront. This helps to further distinguish the YOG, whilst respecting the significant contribution that sporting goods manufacturers provide.

The International Olympic Committee (IOC) is therefore pleased to present the Guidelines regarding Authorised Identifications for the Youth Olympic Games Buenos Aires 2018.

These Guidelines provide guidance on how Olympic Charter Rule 50 is to be implemented, in particular (i) as to when an identification is “*marked conspicuously for advertising purposes*” (and hence prohibited), (ii) which types of identifications are allowed, (iii) where such identifications may be placed and (iv) how many times such identifications may appear. These rules apply to all of the athletes, officials and other accredited persons within the YOG venues and sites.

These Guidelines are not intended to restrict or otherwise impair new, innovative technological design features of *Items* (as defined below) as long as these are in conformity with the rules and regulations applicable for the sports concerned, the Olympic Charter and these Guidelines.

<sup>1</sup> As of the date of issuance of these Guidelines.

## General Guidelines

Notwithstanding the above, these Guidelines are to be used subject to the understanding that:

- (i) in case of contradictions between these Guidelines and Rule 50 of the Olympic Charter, the latter shall prevail;
- (ii) the IOC Executive Board shall be the sole authority to finally determine whether the use of a name, designation, trademark, logo or any other distinctive sign complies with the Olympic Charter and these Guidelines; and
- (iii) the IOC reserves the right to further interpret and/or supplement these Guidelines in order to help ensure that the spirit and purposes of Rule 50 are respected.

### 4 General Principles

An *Authorised Identification* may only be used in compliance with the terms of the Olympic Charter, the present Guidelines or as further approved in writing by the IOC.

The IOC reserves the right to prohibit the use of any *Authorised Identification* on any given *Item* in order to ensure the spirit of the principles of the Olympic Charter and these Guidelines are respected.

## General Guidelines

Unless specifically mentioned otherwise hereinafter (in particular in the “*Sport Specific Implementation*” section) or unless otherwise indicated in writing by the IOC, **the following general principles shall apply:**

- No use of any *Identification of the Manufacturer* may be made in a conspicuous way and no *Item* may be used for advertising purposes. An *Item* is in particular considered to be used for advertising purposes when the identification on such *Item* is not in relation to sport or is only featured or used for the purpose of conspicuous exposure during the *Youth Olympic Games*.
- No identification other than an *Authorised Identification* may appear on any *Item*.
- Only one *Identification of the Manufacturer* per *Item* shall be permitted.
- Where the *Identification of the Manufacturer* is not a *Sports Brand*, such identification shall not be permitted, except for *Clothing*, for which the *Identification of the Manufacturer* may be that of a *Clothing Brand*.
- Participants must refrain from contributing to or participating in any conspicuous advertising within Youth Olympic venues and sites, and in particular on the field of play.

### 5 Size and Frequency of Authorised Identifications

The size of an *Identification of the Manufacturer* shall in general not exceed:

Item	Maximum size and frequency
<b>Accessories</b>	<p>The size of an <i>Identification of the Manufacturer</i> shall not exceed 12cm<sup>2</sup> for Accessories.</p> <p>The only exception applies to bags, where the <i>Identification of the Manufacturer</i> shall not exceed 10% of the surface area of the item, to a maximum size of 60cm<sup>2</sup>.</p>

## General Guidelines

Item	Maximum size and frequency
<b>Clothing</b>	<p>The size of an Identification of the Manufacturer shall not exceed 30cm<sup>2</sup> for Clothing.</p> <p>One additional identification, strictly limited to Product Technology Identifications, shall be permitted per clothing item and shall not exceed 10cm<sup>2</sup>.</p> <p>Where one-piece body suits are used in competition, such <i>Identifications</i> shall be permitted once above and once below the waist, provided all other principles are respected.</p>
<b>Sports Equipment</b>	<p>Sports equipment may carry identifications as available on the market 6 months prior to the YOG, subject to any stricter IF rules which would prevail for each concerned sport (as indicated within the <i>Sport Specific Implementation</i> section), as long as such identifications are deemed not conspicuous by the IOC and subject to section 6 below.</p> <p>For any sport equipment supplied by the YOGOC, the size of an Identification of the Manufacturer shall not exceed 10% of the surface area (up to a maximum of 60cm<sup>2</sup>).</p>
<b>Footwear</b>	<p>All footwear items may carry the identification as generally used on products sold through the retail trade during the period of 6 months prior to the YOG, as long as such identifications are deemed not conspicuous by the IOC.</p>

Specific sizes and display frequency are applicable as per the “*Sport Specific Implementation*” section hereinafter.

In all instances where the *Item* contains elastic material (such as LYCRA®), the *Authorised Identification* size shall be measured stretched (e.g. as worn by the athlete).

## General Guidelines

### 6 Guidance on Placement

No *Authorised Identification* may appear on the neck or the collar or on the body (e.g. tattoo) of any person participating in the YOG.

No *Identification of the Manufacturer* may appear in combination with any other *Authorised Identification*.

*Authorised Identifications* may not appear close or adjacent to each other, in order to avoid a composite logo effect or a repetitive effect. This applies also in case of several layers of *Items* worn by the same person or for one-piece body suits.

### 7 Items That Must Remain Unbranded

Certain items, due in particular to their potential for abuse in the context of product placement or advertising on the Field of Play (FOP), should at all times remain unbranded and/or not feature any Identification (by covering any existing Identification) if brought by the participant on the FOP or in camera view. As a consequence, the following *Items* may not feature any *Identification of the Manufacturer*: headphones, water bottles, umbrellas, towels, bandages, contact lenses, earplugs, mouth guards and nose clips. This list is an exemplary and non-exhaustive list and may be amended and completed by the IOC when necessary. Any such updates shall be communicated by the IOC to NOCs and IFs.

### 8 Third Party Identifications

No third party reference or name, including the names or nicknames of participants or any other persons (unless listed as a technical requirement in the *Sport Specific Implementation* section), designation, trademark, logo, URL, social media account, hashtags, corporate design or colour scheme (including, but not limited to, those of sponsors, National Federations, public or governmental authorities, and clubs) or any other distinctive sign (whether direct or indirect, such as QR codes or barcodes) may appear on any *Item*.

No *Item* may feature any identification that relates to a product, service or in any other way does not comply with the principles of the Olympic Charter.

## General Guidelines

The use of certain *Authorised Identifications* (such as *IF Identifications*, the *Buenos Aires 2018 Emblem* or the *Buenos Aires 2018 Wordmark*) is limited and restricted to certain *Items* only and may not be used otherwise as specifically indicated herein.

All *Items* must be those which are normally worn or used by a participant in the Youth Olympic Games.

### 9 Designs

Designs of *Items* must comply with the specifications of these Guidelines. In particular, a design may be used for one Summer and one Winter YOG but must be changed before the following edition, as the case may be.

*Authorised Identifications* or any portion or variations thereof (such as graphic and/or text that serve as concept extensions) cannot be used in designs (e.g., repetitions, extensions, distortions, watermarks, patterns, etc.) of *Items*.

For the avoidance of doubt, drawings, colour schemes, combinations, patterns, prints, letters, numerals, geometric elements, slogans, taglines, words or designs that derive or refer or otherwise create the impression that they are identical or similar to an *Identification of the Manufacturer* (including, in particular, Exclusive Identifiers), may not be used in designs of *Items* for the Youth Olympic Games.

### 10 NOC Emblems and National Identity

Subject to the above, NOCs are encouraged to use their national colours, name, flag and emblems, as well as NOC Emblems (hereinafter “National Identifications”), in order to visually enhance the national identity of their *Items*. NOCs have the right to choose the National Identification(s) which will be used by their delegations on Clothing (for instance, NOC emblem or national flag).

No maximum frequency or sizes are applied to National Identifications, unless limitations are imposed within a specific sport’s technical regulations (please refer in particular to the *Sport Specific Implementation* section for more details).

## General Guidelines

No *Item* may feature the wording or lyrics from national anthems, motivational words, public/political or religious messaging or slogans related to national identity.

NOCs, in particular the NOC of the country hosting the Youth Olympic Games (in the present case, the Argentina Olympic Committee), may not use the “Look of the Games” in any way which creates confusion between the BAYOGOC Workforce and the athletes and delegation officials of their national Olympic Team.

### 11 International Federation Identifications

As per the Olympic Charter, IF Identifications are only authorised for use on uniforms worn by IF officials; this includes all categories of IF staff as well as technical officials.

For Clothing worn by IF officials, one IF Identification per *Item* shall be permitted, with a maximum size of 30cm<sup>2</sup>.

### 12 Homologation Marks

If any identification is necessary for safety reasons and is prescribed within IF rules and regulations (e.g. “CE” or a similar non-commercial certification logo) and included within the *Sport Specific Implementation* section, such identification will be permitted on the *Item*, in a location that allows technical verification by officials.

### 13 Use of Buenos Aires 2018 Emblem and Buenos Aires 2018 Wordmark

NOCs and IFs may enhance the Olympic Identity of their uniforms (Clothing only) by using the Buenos Aires 2018 Emblem or Wordmark on a limited basis, provided the following conditions are observed. In general, the Buenos Aires 2018 Emblem and the Buenos Aires 2018 Wordmark must:

- be sourced directly from BAYOGOC or the NOCnet and used in accordance with the Buenos Aires 2018 Marks Usage Guidelines;

## General Guidelines

- not be used for any commercial purposes including, but not limited to, licensed and replica merchandise;
- only be used once per item of Clothing, with a maximum size of 30cm<sup>2</sup>;

*In particular,*

- When used in conjunction with the NOC Emblem or IF Identification, the Buenos Aires 2018 Wordmark should be positioned under the NOC Emblem or IF Identification with a distinctive gap or separation between the images or separated by a small dividing line. It is forbidden to associate the Buenos Aires 2018 Wordmark with an Identification of the Manufacturer. The Buenos Aires 2018 Wordmark can only be reproduced in its entirety as defined in the Buenos Aires Marks Usage Guidelines or in a generic font.
- The Buenos Aires 2018 Emblem must not be used on competition clothing (unless no Identification of the Manufacturer appears on the same Item) and must absolutely appear alone. It is forbidden to associate the Buenos Aires 2018 Emblem with any other *Authorised Identification* (such as an *Identification of the Manufacturer* or an *NOC Emblem* or *IF Identification*). The Buenos Aires 2018 Emblem can only be reproduced in its entirety as defined in the Buenos Aires 2018 Marks Usage Guidelines.

### 14 Victory Ceremonies

No *Sports Equipment* or *Accessories* may be brought to the flower or victory ceremony. This applies also to interviews, with the exception of the mixed zone when used as an exit from the competition area, or if the *Sports Equipment* is worn by the athlete (e.g. helmet).

No personal accessories, including but not limited to mobile phones, water bottles, national flags and POV camera devices, are permitted on podiums.

For further information regarding the rules applicable to uniforms worn by athletes during flower and victory ceremonies, please refer to the *Ceremony Uniform Guidelines*.

## General Guidelines

### 15 Responsibility for Compliance

NOCs shall be primarily responsible for ensuring that all *Items* worn or used by the members of their delegation comply with the terms of the Olympic Charter and these Guidelines.

Under the supervision of the IOC and with the support of OCOG personnel, the IFs, in accordance with Paragraph 1.6 to Rule 46 of the Olympic Charter, shall implement a system of enforcing the compliance of Items (such as Sports Equipment) in relation to their respective sport.

### 16 Consequences of Infringement to the Guidelines

Without prejudice to any other sanctions that the IOC may consider to impose, any *Authorised Identification* or *Item* used in violation of the terms of the Olympic Charter or these Guidelines shall be removed or covered (as applicable) in accordance with the instructions given by representatives of the IOC, BAYOGOC or the relevant IF.

Any breach of the terms of the Olympic Charter, these Guidelines or instructions given by authorised representatives in relation to compliance with these Guidelines, may lead to disqualification of the athlete and/or withdrawal of the accreditation of the Participant concerned, as well as other possible sanctions, in accordance with the decision of the IOC, or in accordance with the technical rules of the respective sport.

### 17 Submission Process

The IOC has set up a procedure for *Items* to be reviewed and offer assistance to the NOCs and IFs. Submissions should be submitted via the online submission tool, or sent to [rule50@olympic.org](mailto:rule50@olympic.org).

As in previous YOG, while the process is not mandatory, it is highly encouraged in order to minimise any possible Games-time issues. Once a submission has been made through the online tool, NOCs will be notified of the “reviewed” or “non-compliant” status of their submitted *Items*.

## General Guidelines

Several International Federations impose an obligatory submission process and review of uniforms worn by athletes and/or teams for technical and/or homologation reasons. For further information regarding the process followed by each sport, please refer to the *Sport Specific Implementation* section.

### 18 Questions

For any questions, please do not hesitate to contact the IOC at [rule50@olympic.org](mailto:rule50@olympic.org).
