**President / General Secretary
National Weightlifting Federation**

Dear Sirs,

Uganda is proud to be an ardent contributor to the development and growth of the Olympic Sport of Weightlifting in Africa and the rest of the world.

Our sport exhibits the wonders of God's sophisticated and unique creations in the strength and flexibility of a human.

On behalf of the Weightlifting Federation of Africa (WFA), Uganda Weightlifting Federation in conjunction with the Uganda Olympic Committee, invite your National Weightlifting Teams to participate in the above titled championships **from 7th to 14th October, 2017** in Entebbe, Uganda.

If you haven't been to Uganda, we give you an opportunity to taste unmodified fruits, a wonderful climate and a variety of healthy food.

Our country is home to the largest fresh water lake in the world (Victoria), where the longest fresh water river (Nile) flows from on its way to the Mediterranean Sea, north of Egypt. Try Africa's most nutritious fish (Tilapia). We are anxious and thankful to receive you in our simple country for your memorable stay and discovery of our Culture, Infrastructure, Tourism, Hospitality and Crafts that makes her to be called the "Pearl of Africa"!

As we anticipate receiving you as our Valuable Guest, we wish your National Federation the best at these championships and an enjoyable stay with the rest of the visiting Nations.

Attached please find the General Rules and Regulations, Entry Forms and other useful information.

Yours Faithfully,

**Eng. Khaled Mhalhel
WFA President**

**Salim Ssenkungu MUSOKE
