We have privilege and honour to invite you and all national federations to participate in the 3rd International Fajr Cup which will be held on 6-11 March 2018 in Ahvaz, The Islamic Republic of Iran.

It is a great honour for us to host 3rd International Fajr Cup in the Islamic Republic of Iran. It is worth mentioning that Iran has experience in hosting 2008 Namjou International Memorial Cup & 1st International Fajr Cup (Rio Olympic Games Qualification Event) in 2016 as well as 2nd International Fajr Cup which was held on March 2017 in Ahvaz.

Ahvaz is the oldest city and center of Khouzestan province that is described in ancient inscriptions. This city is located in the South-western part of the country and is one of cultural, historical centers with traditional structures. Karun river, one of longest & largest rivers in Iran flows here and Sefid bridge -one of city's Symbols- has been made on it with two 12,20 meters concrete arcs. Here you can see the most beautiful and longest waterfalls and Cable Bridge of the Middle-east as well as archeological places. This oil field province located at Khalij-e-Fars (Persian Gulf) boundaries, has free Zones such as Khoramshahr port, Abadan and Shooshtar. We will do our best to provide athletes with comfortable and best conditions to achieve outstanding results.
