

INVITATION

Member Federations
Dear Colleagues and Friends,

The International Weightlifting Federation has given to Romania the chance to organize the 2020 Edition of the Junior World Championships in Bucharest, a prestigious event that will gather participating countries from all the continents.

As President of the Romanian Weightlifting Federation I can only express my personal satisfaction and joy of being, once again, after 11 years, host country for such an important world event. The organization of this competition is welcome with the same satisfaction by the Romanian Weightlifting Federation staff and, with the same enthusiasm from the last international events hosted by our country, we will all be involved for the success of the 2020 IWF Junior World Championships – GOLD Olympic Qualification Event for Tokyo.

We invite you all to take part to this important experience from the 14th to the 21st of March 2020.

The Romanian Weightlifting Federation and Organizing Committee will be happy to support your Team's Romanian Visa procedures. Don't hesitate to contact us at the following e-mail address: frh@frhaltere.ro.

See you in Bucharest!

With friendship and sport,
Nicu VLAD

RWF President
IWF Vice President
IWF TC Chairman
