On the thirtieth day of June in the year two thousand and twenty one, I **LUIS NEIL HYDE-VAAMONDE** of the City of London, England **NOTARY PUBLIC** by royal authority duly admitted, sworn and holding a faculty to practise throughout England and Wales, at the request of the **INTERNATIONAL WEIGHTLIFTING FEDERATION** of Lausanne, Switzerland (hereinafter called "**IWF**") did attend the offices of **LUMI HOLDINGS LIMITED** (hereinafter called "**LUMI**") at Armoury House, Midhurst Road, Liphook, Hampshire, GU30 7ZA, United Kingdom for the purposes of validating the voting results of certain matters to be voted on during the course of the IWF Constitution Reform Congress to take place by video conference on such date, the voting at such meeting to be conducted and validated through the operation of the **LUMI** Online Voting Platform ("the Platform");

AND I DO CERTIFY THAT during the course of such voting I observed, **DANIEL LINDSAY DOCKERTY**, **ALEXANDER JOHN HAMPSHIRE** and **RICHARD JOHN MACBETH**, **LUMI** technicians ("the Technicians") open and close the Platform when instructed by me to do so, I having first satisfied myself that the relevant quorum was present in respect of each decision and that in each instance only eligible members were able to vote;

AND THAT during the entire voting process the only persons present at the voting operations desk were the Technicians and I AND that whilst any particular vote was open the Technicians did not take any other action on the Platform;

AND THAT hereunto annexed bearing my signature and seal of office are print records of the anonymised voting result reports generated by the Platform for the votes held during the course of the said remote Congress;

AND THAT such records were printed by the Technicians in my presence immediately after the result of the votes cast the contents of such reports contain a true and accurate transcript of the voting records and statistics as observed by me on the Platform's monitor.

IN FAITH AND TESTIMONY WHEREOF I the said notary have affixed my electronic seal and qualified electronic signature to this document in England and Wales on this thirtieth day of June in the year two thousand and twenty one.
