

**IWF Anti-Doping
Commission report**

Dr. Patrick Schamasch
01 January – 04 June
2015

**What happened in
the first 5 months?**

- 2 ADC meetings

- Test distribution Plan
- IRTP selection based on the New Anti-Doping Policy

**What happened in
the first 5 months?**

- Contract signing with the **WADA
Accredited Laboratory of Cologne**
regarding the **STERIOD PASSPORT**

ATYPICAL FINDINGS

**We don't need to find the substance we
can see the alteration of the Athlete's
body profile!**

**What is new in the
first 5 months?**

**Application of the **WADA TECHNICAL
DOCUMENT****

- More effective analysis for substances
MORE BLOOD TESTING
- Analysis with new methods

**IWF ANTI-DOPING
STRATEGY**

Test Distribution Plan

Basic plan was elaborated in January – several
criteria, basic decisions but it **changes
constantly**

- **WHO** (Which athlete?)
- **WHEN** (IC/OOC)
- **WITH WHO** (Which ADO?)
- **RESPONSIBLE LABORATORY**
Quality vs. Quantity

**IWF ANTI-DOPING
STRATEGY**

- **New criteria, new selection based
on intelligence for the IRTP**
- **Prevention/Education**
- **Communication** „Positive is a
positive”
- **Intelligence**

STRONGER COOPERATION WITH OTHER ADOs

- Increased cooperation with
 - ARM NADO
 - GEO NADO
 - KAZ NADO
 - POL NADO
 - ORADO
 - NZL NADO
 - WADA
